DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a method for forming a metal interconnect on a substrate surface, comprising: etching the substrate surface to form one or more features in a first processing chamber disposed about a mainframe; transferring the substrate having the features formed therein without breaking vacuum to a second processing chamber disposed about the mainframe.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
